PRINCIPAL’S REPORT

Last week Mr Moss and I took a Junior and Senior Team to the Panther Trophy. The teams proudly represented our school and showed great sportsmanship the whole day. I would like to thank the parents who helped with transport on the day.

On Wednesday this week Penrith Mayor Councillor Ross Fowler, OAM launched his Penrith Mayoral Challenge at our school. Some of our Year 6 students are working with students from Colyton High School to redesign the Barr and Bass Street Reserve.

The students have a budget of $100 000 for this project. It is a great opportunity for all these students to do something for their local community. Watch out for the launch in the local papers.

On Thursday this week I am taking a senior team to the Greg Alexander Shield. I wish them all the best on the day.

KINDERGARTEN 2016 ENROLMENTS

If you have a family member or know of a child likely to start school next year please advise the school now or encourage them to visit the school and commence enrolment. They need to complete a form of several pages, produce a copy of the child’s birth certificate and immunisation records and proof of residential address (electricity account or similar).

ACCESS TO SCHOOL GROUNDS AND ACCEPTABLE BEHAVIOUR

Parents, caregivers and other persons entering the school site must follow the directions of the principal and staff. All persons entering the grounds other than at school start and finishing times must report to the school office. It is not acceptable for any person to approach another child, use offensive behaviour or disrupt the school’s efforts to provide a safe and secure learning environment. Students, staff and visitors to the school are entitled to a quiet, safe and respectful learning environment. Breaches of these expectations will invoke the Inclosed Lands Act and police involvement.

FACEBOOK AND YOUR CHILD’S PRIVACY.

Some tips
- Google your child’s name, then search for them on Facebook. See who has access to what information.
- Make sure your child **sets their privacy options** so only genuine friends can find them on Facebook. The new privacy settings aren’t as complicated as before.
- Having hundreds of Facebook friends isn’t proof of popularity,
- What goes on Facebook can become public and permanent – the good, the bad and the soul-destroyingly embarrassing.
- Future employers will probably look for your child’s name on Google and Facebook.

**KINDERGARTEN FIRE INFORMATION VISIT**

On 18th June, 2015, Kindergarten students will be treated to a free community display by our local St Marys Fire Station. Our local firemen will share tips about fire safety at home and school, and also discuss the emergency procedures to follow, including calling 000.

Time permitting, selected students will be able to explore the fire engine and its equipment. This visit will be the conclusion to our Term 2 studies of dangerous medicines and fire safety.

Mrs Carroll and the Kindergarten Teachers.

**SEMESTER ONE SCHOOL REPORTS**

Your child’s Semester One school report will soon be sent home to share how their learning is progressing.

Report interviews will be held on Tuesday, 23rd June between 1-30pm and 5pm. Additional dates and times will also be negotiated by each class teacher. Interview request notes will be sent home one week prior to the report. Request for interview notes may be returned directly to your child’s class teacher.

Please be sure to read the front of the school report to clarify the Department of Education’s definitions of the A-E reporting grades for student achievement.

**PENRITH CITY COUNCIL- ENVIROMENTORS PROGRAM**

**FREE KINDERGARTEN INFORMATION SESSION**

On Thursday, 11th June, all Kindergarten students will be attending a free information session about recycling, run by Penrith Council’s EnviroMentors Team. The presentation titled, ‘In The Bin’ is a fun, interactive session where students act out placing items into the correct rubbish bins and learn to identify the recycling symbols located on everyday products.

Dear Parents/Caregivers,

The school has been advised of a case of Scabies.

Please be alert to the following:

Scabies is a skin infestation caused by tiny mites. The mites burrow into the skin where they live and reproduce.

The most common symptom is intense itching which is caused by the mites burrowing under the skin to lay eggs. The mites like warm areas of skin, especially around wrists, armpits, buttocks, groin and between fingers and toes. The itch is often worst at night when in a warm bed and after a hot shower.

Scabies are transmitted from skin to skin contact with an infected person. Scabies usually get noticed within four weeks.

Scabies can be rapidly and effectively treated by using an appropriate cream or lotion. Several treatments are available, your doctor or pharmacist will be able to discuss treatment options with you. Follow the treatment instructions carefully. Your child needs to be kept home until the day after treatment has begun.
