Graduation Bear and Ball

Dear Parents and Caregivers

As the end of Term 4 rapidly approaches, and another group of students begin their preparations for high school, we’d like to offer all the students in Year 6 the opportunity to purchase either a graduation bear or memory ball.

Students will be given opportunities to obtain signatures or brief messages from their friends and teachers towards the end of Term 4.

Please note: The students will be reminded of their responsibilities to ensure that appropriate comments and acceptable words are the only ones that feature on the graduation bears and memory balls.

These products will form part of a major fundraiser effort, designed to reduce the costs associated with hosting the 2015 Year 6 Farewell.

Please use the attached order form if you wish to purchase either the graduation bear or memory ball. All orders must be handed in at the office before Friday 6th November. No orders will be processed after this date.

This activity has the approval of the principal

Dear Sir/Madam

This is a great opportunity for the students to purchase a high quality graduation bear or ball for family and friends to sign. A great memento of their school years which they will treasure.

The signature bear and ball concept has proven to be extremely popular amongst students over the years. This very cute bear stands forty centimetres tall with moveable arms and legs. The ball is eight inches round. Both come with a fabulous BIC pen so the students can obtain all their friends' signatures. Both are of an extremely high quality and come in a plastic poly bag for protection.
